SUBJECT: NORTHERN ROSSVILLE, FORT AND C-STORES– UPDATE
CUSTOMER LIMIT

In response to the CORONAVIRUS (COVID-19) Pandemic, and recent State of Emergency mandates sent down by the Province of Manitoba, the Northern Rossville and Fort locations along with C-Stores are requesting all individuals to limit the amount of people they bring along to shop.

Effective Friday March 27, 2020 we will be limiting the amount of customers in our stores to 30 (thirty) at the mall and 20 (twenty) at the Fort. We will be limiting customers to 10 (ten) at the C-Store Quickstop and 5 (five) at the Fort Island C-Store.

In order to ensure customers get access in a timely fashion, we will not allow any children in the store at this time. No child under the age of 16 is permitted.

If possible, in order to maximize the number of people we can serve, please only have one person per household to shop at this time. This will ensure all customers get equal access to their needs.

To ensure the health and safety of the staff work environment it is mandatory that all community members practice physical distancing when you are shopping and interacting with staff and exit the stores once purchases are completed.

Thank you,
Jason Winter
Store Manager
