Community Update Food Sales Effectively Immediately April 21, 2020

PAT has determined that “Food Sales” are a required service and a part of the fabric of NHCN and is of significant economic benefit to those business people. It is recommended that PAT lift the food sale restriction (March 21, 2020) effective immediately to those who meet the following criteria:

- 1. Dependent upon the income to sustain family needs.**
- 2. Holds a current “Food Handling Certificate” without infraction.**
- 3. Has at least two (2) years’ experience in selling food to the community.**
- 4. Healthy Meals are strongly recommended**
- 5. Provides a description of safe food preparation using appropriate protective gear.**
- 6. Can demonstrate that a designated and appropriate cooking area will be used and maintained.**
- 7. Can provide and demonstrate how the safe delivery of food will take place.**
- 8. Can demonstrate the safe exchange of payment for the goods.**
