## **Approval Process for Travel under the Orange Gauge: FOR NON -VACCINATED**

1. All requests for travel in or out of Norway House must be done TWO DAYS ahead of time by contacting the Risk Assessment Officers (RMA) Margaret Maxwell (204- 301-3004) and Lucy Muswagon (204) 359-5359) for approval.
2. Questionable travel requests will be reviewed and approved by two of three PAT leads. All other travel requests to be approved by Risk Assessment Officers with approved guidelines.
3. Upon return to the community, the traveler must complete the travel log and Risk Assessment. If returning from South and you are not fully vaccinated, you must isolate 14 days due to the increase of variants.
4. All medical/referral approvals will be managed and approved by Manager of TAP.
5. Construction and occasional services must submit their travel requests 48 hours prior and must get TESTED and will be managed by Lucy Muswagon with compliance to Provincial, NHCN and company protocols.
6. Requests to attend funeral will be referred for approval to the Risk Assessment Officers by Muchipunowin as per the applicable policy, position within the community gauge as well as there is no covid outbreak/presence in that community.  
Anyone coming to Norway House to attend a funeral who is not a resident must be tested.
7. Any community member who does not have approval to enter the community will be taken directly to the Isolation Site and self-isolate for 14 days. All others will be turned around at the Roadblock and sent out.
8. Any requests for visits to the community by extended family must be recommended by the relative who will allow them into their home.

**Guidelines for Travel under the Orange Gauge are as follows:**

- **Essential:** Essential personnel are those delivering food, fuel and medical supplies, hydro officials, highways officials, RCMP, medical staff, Emergency Team, Telecommunications, childcare, custody, Government Representative.
- **Health and Safety:** scheduled medical appointments approved by TAP; confirmed dental appointments; leaving or returning from unsafe situations (family violence), attending treatment program.
- **Anyone who fails to attend their scheduled appointments, leaves without permission will meet with the Elder's Committee upon return.**
- **Vehicle repair & maintenance:** those repairs/maintenance that must be done by the dealer; tire changeovers, recalls will be reviewed and approved by the Risk Management Officers.
- **Any Norway House Band Member or extended family who will be traveling into Norway House must be approved prior to them coming in. The person must complete and submit a Risk Management Assessment and 7 day-activity logs with their request and only those approved to come in. People who do not have access to fax, computer or telephone can ask their family member to complete the forms.**
- **People who leave the community without prior approval will be required to isolate at the AIA site for 14 days upon return. (This is due to not knowing the activities of the individual who left the community and returns)**
- **Travel to communities, cities or any region may be restricted when there is evidence of rising numbers of positive Covid-19/variant cases until such time the risks are determined to be at low levels. This will not just include decreasing numbers, but evidence of that community compliance to their restrictions.**
- **The public will be notified immediately when this occurs.**

### **APPROVAL PROCESS FOR FULLY VACCINATED PEOPLE:**

1. Any fully vaccinated person may leave the community for essential reasons without putting in a travel request.
2. They will present their card at the border and answer the questionnaire:
  - **Where are they going?**
  - **Who is travelling with them?**
  - **Does everyone have their card or approval who is in the vehicle?**
3. Parents travelling with their children must be aware of the risks and have to provide travel log on return because they are traveling with children who are not vaccinated.
4. No travel logs or Risk assessments will be required if it is only vaccinated people travelling.

### **APPROVAL PROCESS FOR VACCINATED PEOPLE WITH THE FIRST DOSAGE**

1. They will follow travel request process by calling the Risk Management Officers Margaret (204) 359-3004 or Lucy (204) 359-5359.
2. If they are travelling with fully vaccinated people, they must put in their request prior to leaving and complete the required forms.
3. They must complete their travel log and submit upon return.
4. They will not have to isolate upon return to the community unless they did not submit their travel forms before 9:30 a.m. the day after travel. They will be placed on the RMA list until the travel forms are completed.
