**You are invited to join the Elders to learn more  
about our written Law and to talk about ways  
to help our children and families thrive, now and  
into the future generations.**

**Copies of the draft Law will  
be available at the session.  
Or you can pick up a copy  
at the Chief & Council office**

The information session will be hosted by the NHCN C-24 Elders' Advisory group that have worked to put our original Family Law into writing.

You will be asked in the near future for your support to replace the Manitoba Child and Family Services Act with our own written Law

Snacks & refreshments will be provided. Come for tea and visit with the Elders to talk about the most important NHCN topic:
