STATISTICS

Population

9,190

Norway House Cree Nation
Population, without NH
Community Council -1,500

The Norway House Cree Nation has created an Incorporation name the MISG North Host Corp to operate the Games. Together, our community is so excited to welcome all visitors and participants to our territory, where you get to experience the beauty and heritage of our community, while enjoying quality sporting entertainment that we are expecting our athletes will remember for years to come!

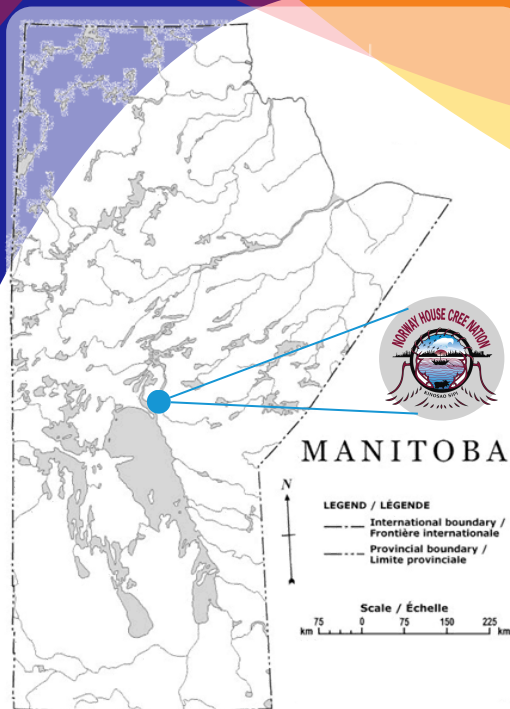

GOALS & OBJECTIVES

The goal for the MISG North Host Corp and Norway House Cree Nation is to stage an event in Norway House for our provincial youth to enjoy. For the first time in 14 years, the Manitoba Aboriginal Sports and Recreation Council as requested bids for the MISG and Norway House is 1 of 2 communities with the honour of hosting this prestigious event!

Now that the Manitoba Indigenous Summer Games is back, our group have created 3 goals:

1. Bringing together some of the best athletes in Manitoba together to compete!
2. Promote, market and enhance the experience and high performance of our athletes
3. Provide a safe and welcoming environment for all participants to enjoy.

Top Current Barriers

- Expenses: All of our visitors say they would love to come to Norway House however, it is the expenses that limit their participation including accommodations
- Transportation: Within Norway House, the geographic location and the spread of the community makes transportation a major barrier
